JOHNSON RESTORATION'S JOURNEY TO DIGITAL SUCCESS

When Jenn and Andy Johnson launched the new Johnston Restoration website in August of 2022 with Hook Agency, they had a modest online presence. With just 55 keywords ranking and fewer than 100 organic visitors each month, there was plenty of room for growth. Fast forward to today, and their online presence has skyrocketed, positioning them as a leader in the Ohio **roofing** market.

- **Impact:** Broad visibility cements their authority in the roofing industry while local dominance drives targeted traffic generating high-quality leads.

First Page Wins: 15+ Keywords Now On Page One Of Google

First page results matter, and Johnson Restoration now has over 15 service-based keywords ranking on the first page of Google search results. These rankings are leading to more calls, more jobs, and more satisfied customers in the Ohio area.
