SECTION 1

Company Story

A Message From Our Owner

Hello Future Happy Roof Client,

First and foremost, thank you for giving us the opportunity to earn your business. We know that choosing a roofing contractor is not a small decision - your roof protects everything you care about, and you deserve a company that takes that seriously.

Happy Roof was built on a simple observation: most homeowners dread dealing with roofers. Confusing quotes, missed appointments, work that didn't hold up. We knew it didn't have to be that way. So we built the company we wished existed - one rooted in honesty, reliability, and craftsmanship that we'd be proud to put our name on.

When you hire Happy Roof, you're not just getting a new roof. You're getting a team that shows up on time, communicates clearly, cleans up completely, and stands behind every nail with a warranty that means something. We treat your home the way we'd treat our own.

There are plenty of contractors out there. What sets us apart isn't just what we do - it's why we do it. We genuinely care about the homeowners and businesses we serve here in Tampa Bay, and it shows in every job we complete.

Thank you for taking the time to review this presentation. Our team will walk you through everything, but please don't hesitate to reach out to me directly with any questions.

We look forward to serving you,

Josh McKisic

Owner, Happy Roof

(813) 595-7663 | happyroof.com

SECTION 1

About Happy Roof

Founded in July 2025, Happy Roof is Tampa Bay's trusted local roofing contractor, serving homeowners and businesses across Hillsborough, Pinellas, and Pasco counties. We provide residential roofing, commercial roofing, roof repairs, inspections, storm damage and insurance support, and new construction roofing.

We are a certified Owens Corning Preferred Installer and proudly partner with leading manufacturers including Vereva Clay and GulfCoast Supply. Every system we install is built to handle Florida's climate - the heat, the humidity, and the storms.

While we recommend our preferred manufacturers for their proven performance and warranty coverage, we work with every major roofing brand. If you have a specific product in mind, just ask - we are happy to accommodate.

Our philosophy is simple: give every homeowner an honest assessment, a fair price, and a crew they can count on. No upselling. No surprises. Just quality work backed by real warranties -- and a workmanship guarantee of up to 15 years.

30+ Years Team Experience	5.0★ Google Rating	Up to 15 Yr Workmanship Warranty	48hr Emergency Response
-------------------------------------	------------------------------	--	-----------------------------------

Serving: Tampa · St. Petersburg · Clearwater · Brandon · Wesley Chapel · Riverview · Lutz · Land O Lakes · Odessa · Carrollwood · New Tampa · Temple Terrace · South Tampa · Sun City Center · Apollo Beach · Oldsmar · Palm Harbor · Tarpon Springs · Safety Harbor · Dunedin · Largo · Seminole · New Port Richey · Trinity · and more.

SECTION 2

Why Happy Roof

We make roofing stress-free. Here's what that means in practice:

Honesty First

We tell you what your roof actually needs - not what makes us the most money. If it only needs a repair, we say repair. No upselling, ever.

We Show Up

When we schedule a visit, we are there. If something changes, you hear from us - not a no-show. Reliability isn't extra, it's the baseline.

Quality Materials

We only install products we'd put on our own homes. Every material we use comes with a manufacturer warranty backed by the industry's top brands.

Local Team, Local Knowledge

Our crews live and work in Tampa Bay. We know the building codes, permit requirements, HOA rules, and what Florida weather actually does to a roof.

We Clean Up Completely

Every nail. Every scrap. We use magnet rollers and fully clear your yard before we leave. You shouldn't have to worry about what we leave behind.

We Stand Behind Our Work

Happy Roof backs its workmanship in writing with up to 15 years on shingle, metal, and tile installations, and up to 10 years on flat roofs. If something goes wrong due to our installation, we make it right.

SECTION 2

Our Warranty

Most roofers in Tampa Bay offer 1–5 years of workmanship coverage. We offer up to 15. In writing, on every job.

Roof Type	Happy Roof	Industry Average
Asphalt Shingles	Up to 15 Years	1–5 Years
Metal Roofing	Up to 15 Years	1–5 Years
Tile Roofing	Up to 15 Years	1–5 Years
Flat Roof (TPO/EPDM)	Up to 10 Years	1–2 Years

All Happy Roof workmanship warranties are provided in writing at project completion.

What's Covered

- Leaks caused by installation defects or workmanship errors
- Improperly installed flashing, underlayment, or drip edge
- Nail pops or fastener failures from our installation
- Vent boot, pipe collar, or penetration seal failures
- Ridge cap or hip cap installation defects
- Valley, step flashing, and counter flashing issues

What's Not Covered

- Damage caused by hurricanes, storms, or falling debris
- Modifications or repairs made by others after installation
- Damage from lack of maintenance or neglect
- Normal wear and tear over time
- Material defects (covered separately by manufacturer warranty)

To file a warranty claim, call (813) 595-7663 or email info@happyroof.com. We will schedule an on-site inspection within 48 hours and, if the issue is covered under your workmanship warranty, repair it at no cost to you.

SECTION 2

Owens Corning Manufacturer Warranty

In addition to our workmanship warranty, your roof is protected by the Owens Corning manufacturer material warranty - one of the strongest in the roofing industry.

Lifetime Limited Warranty

- Covers Duration HDZ, UHDZ, Oakridge, Berkshire, and other qualifying Owens Corning shingles
- Protects against manufacturing defects and premature material failure
- SureNail Technology provides superior wind resistance rated up to 130 mph
- Preferred and Platinum Protection enhanced warranty programs available

Why Owens Corning?

Owens Corning is one of the most recognized names in roofing. Their products are engineered specifically for high-humidity, high-wind environments like Florida. As a certified Owens Corning Preferred Installer, Happy Roof is trained and authorized to install their full roofing system - meaning your warranty is backed by both us and the manufacturer.

To claim your discount, mention it when you call or enter code HERO26 on our free estimate form at happyroof.com.

SECTION 2

What Our Customers Say

Don't take our word for it - here's what Tampa Bay homeowners have to say about Happy Roof.

"Happy Roof did an amazing job. They were on time, polite and courteous across the board. They ensured my property remained undamaged during the roof replacement. If I had any concerns or questions, they were answered promptly and completed all the work and even more than I had requested. It is refreshing to find a company that is concerned about quality work, integrity and the added bonus of being very reasonably priced."

- Kathleen P. | Google Review

"Josh and his team at Happy Roof replaced our roof and we couldn't be happier. From start to finish, Josh was fantastic - responsive, straightforward, and clearly knew his stuff. The crew was clean and professional, left the property in great shape, and the pricing was very fair. The project manager kept me updated throughout the entire process. Highly recommend if you're looking for a roofer you can actually trust."

- Evan B. | Google Review

"Happy Roof showed up quickly, found the issue was something minor that should have been handled properly the first time, and fixed it on the spot. They didn't even charge us because it was such a simple repair. If you want honest people who do things right, these are the ones to call."

- Andrew R. | Google Review

SECTION 2

Something Bigger Is Coming

LAUNCHING JUNE 2026

The Happy Roof Community Foundation

Free roof replacements for Tampa Bay families in need.

We've always believed that a good roof shouldn't be out of reach for anyone in our community. This summer, Happy Roof is launching a community program to provide free roof replacements for Tampa Bay families who need it most.

We believe in giving back to the neighborhoods we work in every day. More details are coming soon - we're proud to say this is just the beginning.

Scan below or visit happyroof.com/foundation to learn more.

SECTION 3

Products & Services

Happy Roof provides complete roofing services for homeowners and businesses across Tampa Bay. Every system we install uses materials we trust - products engineered for Florida's climate and backed by manufacturer warranties.

Our Services

Residential Roofing

Full replacements and new installations for Florida homes. Storm-rated systems built to handle anything the Gulf throws at them.

Commercial Roofing

Flat, low-slope, and metal systems for commercial properties. On-time delivery with minimal disruption to your business operations.

Roof Repairs

Leak detection, shingle replacement, flashing repairs, and storm damage fixes. Fast response times with lasting results.

Roof Inspections

Detailed written reports for buyers, sellers, and insurance claims. Know exactly what you have before you buy, sell, or file.

Storm Damage & Insurance Support

We work directly with your insurance company. From documentation through completion, we handle the entire claims process.

New Construction

Builder partnerships and new-build roofing for custom homes, developments, and commercial projects throughout Tampa Bay.

SECTION 3

Owens Corning - Our Preferred Shingle

As a certified Owens Corning Preferred Installer, Happy Roof installs the full Owens Corning roofing system - from underlayment to ridge cap. When all components come from the same manufacturer, your warranty coverage is stronger and your system performs as designed.

Featured Shingle Lines

Duration HDZ & UHDZ

The most popular Owens Corning shingle. SureNail Technology delivers industry-leading wind resistance rated up to 130 mph. Available in a wide range of colors.

Oakridge

A mid-range architectural shingle offering excellent performance and curb appeal at a competitive price. A great option for homeowners balancing quality and budget.

Berkshire Collection

A premium triple-layer laminate shingle that mimics the look of natural slate. The highest-end Owens Corning option for maximum curb appeal and durability.

SECTION 3

Other Materials We Trust

Metal Roofing - GulfCoast Supply

Standing seam, corrugated, and exposed fastener metal systems. Florida-made and hurricane-rated with lifespans of 40–70 years. Metal roofing is one of the best long-term investments a Florida homeowner can make.

Tile Roofing - Verea Clay

Premium clay and concrete tile - barrel, S-tile, and flat profiles. Classic Florida aesthetics with 50–100 year lifespans.

Flat / TPO Roofing

For commercial properties and low-slope residential roofs, we install TPO and EPDM membrane systems built for durability and energy efficiency.

We work with every major roofing brand. While the above are our preferred partners, we install shingles by GAF, Titan, Atlas, and others, and metal systems by TriCounty Metals, ABO Metals, MBCI, and more -- all available by request. Just ask your representative.

SECTION 4

Proposal & Next Steps

How It Works - From Call to Completion

01 - Free Inspection

We come to you - no commitment required. Our certified inspector assesses every inch of your roof and provides a detailed written report.

02 - Clear Quote

You receive a detailed written estimate with every line item explained. We walk you through material options and help you choose what's right for your home and budget.

03 - We Get to Work

Our licensed, insured crew shows up on schedule. We complete the job efficiently and protect your property throughout the process.

04 - Final Walkthrough

We inspect the completed job with you, clean up fully, and hand over your warranty documentation and permit records before we leave.

Next Steps

- ☐ Ensure Happy Roof has answered all of your questions
- ☐ Choose your options - product line, shingle color, underlayment, warranty tier
- ☐ Sign Notice of Commencement and Client/Contractor Agreement
- ☐ Provide HOA contact information if applicable

What Happens Behind the Scenes

- ☐ We pull the roofing permit and record Notice of Commencement
- ☐ We initiate your HOA approval process if needed
- ☐ We order materials and schedule your crew

Before the Job

- ☐ Dump trailer will be delivered to your driveway - please clear vehicles
- ☐ Make arrangements to have satellite dish re-installed if applicable
- ☐ Review the Homeowner Checklist on the following page

SECTION 4

Homeowner Checklist

Please verify that all of the following items have been completed prior to your start date. Failure to complete these items could delay the start of your job.

- ☐ Remove or cover valuable items in the attic
 - ☐ Cut the grass around your property
 - ☐ Remove anything valuable or fragile from walls in your home
 - ☐ Remove all vehicles from the driveway and garage
 - ☐ Avoid letting pets or children in the yard during the job
 - ☐ Allow access to the entire property by unlocking any fence gates
 - ☐ Move outdoor furniture, garden pots, bikes, etc., indoors
 - ☐ Secure or remove landscape lighting
 - ☐ Turn sprinkler system off
 - ☐ If in a gated community, provide us with the access code prior to our arrival
 - ☐ Arrange satellite dish re-installation if applicable
-

During the Job

- ☐ Job crew arrives early morning and prepares the jobsite for tear-off
- ☐ Project Manager arrives to coordinate job start and material delivery
- ☐ In-progress inspection occurs
- ☐ Work continues until new roof is installed
- ☐ Preliminary clean up of job site

After the Job

- ☐ Project Manager completes internal final inspection and full clean up
- ☐ Warranty documents transferred to homeowner
- ☐ Payment is collected
- ☐ Dump trailer is removed and extra materials cleared
- ☐ Final municipal inspection completed
- ☐ Wind mitigation inspection scheduled if applicable

SECTION 4

Your Proposal

Your customized proposal will be inserted here by your Happy Roof representative. It will include a detailed line-item breakdown of all materials, labor, warranty options, and total pricing for your project.
